

TRACE Summer in Italy Program

APPLICATION FORM #4: Traveling with Valid Passport

Instructions: Download this form, sign it by hand, and upload it again to application site. Remember to upload a color copy of your passport page with name, passport number and expiration date.

Please attach a color photocopy of your passport page that has your full name, passport number, and passport expiration date on it. Your passport must be valid for at least six months after the official end of your study abroad program, 6 months after June 25th. If you do not have a passport and/or your passport is going to expire, please apply for one immediately.

All students are responsible for having a valid passport prior to studying abroad. Information on U.S. Passports is available online at: <http://travel.state.gov/content/passports/en/passports.html>

- If you do not currently have a passport, apply for one as soon as possible.
- If you do have a passport, please check the expiration date. Your passport must be valid for at least six months after the end date of your study abroad program. If your passport will expire before this timeframe, apply for a renewal immediately.
- If you are studying abroad in a country that requires a Visa, you *must have a valid passport* in order to start the Visa application process. At present students with USA passports do not require a Visa for Italy for the duration of our program. Information on Visas and Passports for non-US citizens can be obtained through your consular offices. Please seek the assistance of your family in identifying and working with the appropriate government office of country of which you are citizen. Obtaining proper documentation, appropriate for the country of your passport, is the responsibility of each participant and not of the Center for Ethics.

By signing this document, I acknowledge that I have read the requirements for traveling with a valid passport, and I understand that I am responsible for ensuring that I obtain a valid passport in a timely manner.
